The screenshot shows a Windows Internet Explorer browser window. The address bar displays the URL <http://www.zyzoom.org/vb/>. The browser's toolbar includes Norton, Safe Web, and Identity Safe. The main content area is partially obscured by the Norton Internet Security application window. The Norton window shows a 'System Status: Secure' indicator, a 'Scan Now' button with the text 'Last Scan: Not completed', a 'LiveUpdate' button with 'Last Update: 23 minutes ago', and an 'Advanced' button. Below these, it shows 'SUBSCRIPTION STATUS: 30 Days Remaining' and a 'Subscribe' link. The Norton logo and 'by Symantec' are visible at the bottom of the window. The website background is in Arabic and features a navigation menu with 'Navigation', 'Registration', and 'FAQ' links, and a search bar.
